Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

3. Regarding claims 1, 6 and 15, claims are allowed after Applicant correctly points out in the Remarks that Russell fails to teach or suggest periodically inserting known symbols into a digital input data sequence and then encoding the combination of the digital input data sequence and the known symbols as set forth. Instead, Russell describes a periodically adding a sequence of known symbols to the output of an interleaver 32, i.e. the sequence of known symbols is inserted into the data stream after the data stream has been processed in the interleaver 32.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
